How to Login to Encore's Employee Portal - UltiPro/UKG
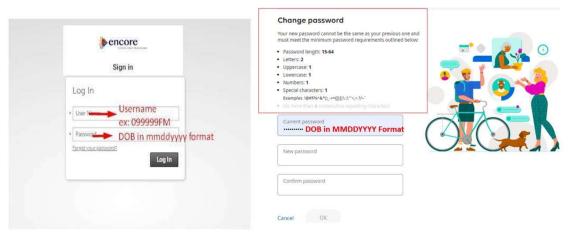

UltiPro is Encore's main employee portal. You can change your address, view your pay statements, and sign up for direct deposit.

• UltiPro can be accessed by going directly to the following link: https://n21.ultipro.com//

Company Code for App is: PSAV1

Initial Login:
• The username for all Encore employees is the six-digit Employee ID followed by First and Last Initial (ex:012345AB)

• Default password is date of birth in the mmddyyyy format (ex: 01011980)

• After initial login you will be required to reset your password to a new password that contains Upper, lower, numeric, and special characters

• Additionally at initial login, three security questions and answers will need to setup providing you the ability to reset your own password.

• Keep in mind your responses to these questions are case-sensitive. For security UltiPro/UKG passwords expire every 90 days.

*If you need a password reset, please contact ultipro@encoreglobal.com.
**If you are having trouble navigating within the site please contact the HR Representative for Northern California, Eric Larson eric.larson@encoreglobal.com.
